Hi Chris,

See attached for a sample radium results letter. I did the letter for 

Ex. 6 Personal Privacy (PP)

 because it was selected as the lab QC which makes it the more complicated letter to draft. Since there weren't many results to list I just included them in paragraph form as I felt it would be easier for a resident to read than a complicated table. Let me know if you see any changes that you would like made and I'll finish up the rest of the letters while I'm onsite in 2 weeks.
